

Mechanical Permit Application

Job Type: New Existing Commercial Residential House Manufact. Home Premanufactured Alteration LP Tank Special

Instructions for Completing Application: Mechanical work shall not begin until the application for permit has been filed. All installations shall be in conformance with State Mechanical Code. **No work shall be concealed until it has been inspected.** When ready for an inspection, call 24 hrs. in advance and provide type of inspection, job location, permit #, your name and phone number.

Expiration of Permit: Permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work has not begun within 6 mos. after issuance or if the authorized work is suspended or abandoned for a period of 6 mos. after the work has begun. **A permit will be cancelled when no inspections are requested and conducted within 6 mos. of the issued date or the date of a previous inspection. Cancelled permits cannot be refunded or reinstated.**
